HP 630 Notebook PC

Essential Mobility

The 39,6 cm (15.6") diagonal, value-priced notebook PC that helps keep you productive and connected on the go.

Windows®. Life without Walls™. HP recommends Windows 7.

Durable, sophisticated and affordable
The HP 630 Notebook PC is a tool for success. This notebook has a sophisticated ID design with smooth matte surface in an understated pewter color for a clean professional look. Powered by Intel processors, the HP 630 Notebook PC helps you get the job done. With an energy-efficient 39,6 cm (15.6") diagonal LED-backlit display, optional VGA webcam [1] and optional integrated Wi-Fi [2], the HP 630 is your link to the world.

Get working, right out of the box
Begin using your notebook for word processing, spreadsheets or presentation projects with software similar to the productivity suites you've used before [3].

Multimedia features included
For your personal enjoyment, the professional stereo Altec Lansing speaker brings you an extraordinary listening experience. The keyboard instant keys include multimedia control for features such as play, rewind and fast forward to simplify work with video and audio files. Experience life in high-definition with the HDMI port that allows you to connect directly to high-definition displays [4].

Stay connected
With optional Wi-Fi CERTIFIED™ WLAN [2, 5], you can send and receive e-mails or access the Internet – at work, at home and at your favorite hotspots. You can use the optional integrated webcam and microphone along with your wireless connection to do web casting, with no additional hardware to buy or carry [1]. And with Fast Charge [6], you can recharge your primary battery up to 90% in 90 minutes when your notebook is off.

Protection and convenience
Your data is important. With HP Recovery Manager, you can quickly recover and get back to work when your operating system is corrupted. Users can recover the OS and drivers in a rapid speed.
Support Assistant makes it easier than ever to manage your notebook. This simple pre-installed software helps you maintain your PC performance and resolve problems with automated tune-ups, onboard diagnostics, and guided assistance.

Everybody On
